Hi James,

The case is still on for trial. It is two counts of simple possession so hopefully we can get a plea out of it without you having to come all the way here. We will leave you on phone standby. It has really only been the school zone cases where we have had to bring the chemists in the past. Which number should we call to update you on the trial date? Please advise. Thanks,

Subject: [REDACTED] Case

Hi Susan,

I am just checking to see if I will be needed Thursday the 11th for the [REDACTED] Case. I have another case locally on that day. Please email or call my desk at 413 545 2607, or office 413 545 2601.

Thanks,
